

## We are re-opening on 12th April

We are delighted to announce that our site will re-open once again from Monday 12th April. We cannot wait to welcome our customers back!

We take the safety of our customers and staff extremely seriously, and as such will continue with our Covid-19 safety measures until such a time as these are no longer deemed to be necessary by the Government. For full details on our safety measures click on the link below.

[Covid-19 safety measures](#)

All departments will re-open as normal, aside from our café which is only permitted to serve food for take-away or outside dining until 17th May at the earliest. Whilst our overnight hook-up facility is available from 12th April, due to guidelines our club facilities including shower blocks, club lounge and swimming pool will remain closed until we enter the next phase.

Until 12th April, we will continue to work behind the gates to assist customers over the telephone and via online enquiries. If you need any assistance please don't hesitate to contact us.

## 20% discount on accessories

Our accessory shop will be giving all customers a 20% discount on accessory purchases from 12th – 30th April 2021. This discount is available on in-store purchases only, and on stocked lines excluding gas. Our lucky club members will benefit from a 30% discount (which includes their usual club discount).

## Brownhills vouchers

Following periods of closure over the past year, we are aware that our customers may not have been able to use their vouchers before the expiry date stated. The expiry date for our two free meals, £10 spend and accessory shop vouchers, will therefore all be extended until the end of 2021.

## Summer Spectacular

The Government's current roadmap suggests that large events will be able to go ahead from 21st June 2021, if the R Rate is low enough at this point to allow it. Our 'Summer Spectacular' event was scheduled for the weekend of 18th – 20th June which falls just before this target date. We are excited to announce that following communication with all parties involved, we have been able to reschedule this event for the weekend of 16th – 18th July. We very much hope that this event will be able to go ahead, as we know how much these events mean to our valued club members.

Despite the change of date, the event line will still open on Monday 26th April at 9 am as planned.

Further information will follow regarding the safety measures that will be in place for this event, once we have more information from the Government.
