Summer Spectacular

Following the government announcement on Monday 14th June it is with regret that we have sadly had to cancel our Summer Spectacular weekend, which had already been postponed to 16th – 18th July. With full restrictions now not being lifted until 19th July at the earliest, this would have meant us having to put too many alternative provisions in place to make this event feasible.

We remain hopeful that the continuation of the vaccine programme will mean that we will finally be able to offer an event to our valued club members in September.

Vehicles booked into our workshop

Over the past few months, we have been asking customers to empty their motorhomes of all but their essential items prior to arriving on site or the van going into our workshop. We have also been sanitising all motorhomes both before and after they go into our workshop.

As much as we appreciate that the emptying of motorhomes is not ideal for our customers, with the government deeming that full restrictions can not be lifted until 19th July at the earliest, these requirements will remain in place until that time.

Our service department have large plastic boxes available for customers to place their items into, which can then be left in the motorhome.

We appreciate your assistance through these challenging times.

At this time, our Sauna remains closed until further notice.

We buy motorhomes for cash

We are continually on the look out for used motorhomes of all makes, models and ages.

If you have recently considered selling your motorhome then give our buying team a call who will be more than happy to give you a price. If you decide to proceed with the sale, we will arrange for drivers to come and collect your motorhome, no matter where you live in the UK, and will arrange a bank transfer at the point of collection.
