## OUR SITE WILL REOPEN ON 2ND DECEMBER

We are pleased to confirm that following the second national lockdown our premises will reopen on Wednesday 2nd December when our staff will be ready to welcome you back on site.

Due to the reintroduction of the tier system, from 2nd December Nottinghamshire has been placed within tier 3 which means that although our sales, service, parts and accessory shop will be open as normal our café will be closed.

Unfortunately, we will not be able to serve our annual club member Christmas lunches as we had hoped and therefore all bookings have been cancelled.

The tier 3 restrictions also mean that we are unable to open our overnight facility for social stays until Nottinghamshire drops to tier 2 or below.

We will of course keep you updated with any changes as and when we are notified.

## MOTORHOMER FINANCING

Did you know that you can purchase motorhomes on finance? Our website gives an example of the monthly repayment for each motorhome, based on set criteria.

To find out what your monthly repayments would be, select "Get a Finance Quote" against the motorhome you are looking at to go to our finance calculator page. Alternatively, [click here](#) to visit our finance calculator where you can select the amount of deposit you would be putting down and the number of years that you wish to make the repayment over giving your monthly repayment figure.

If you need assistance or would like to talk to someone about financing a motorhome, call 01636 704201 and ask to speak to one of our business managers.
