CHARITY OF THE YEAR

Each year we select a local or national charity to support via fundraising at our Club Member events and collection tins around our site.

We are delighted to announce that this year we have decided to support a very local charity, Beaumont House Hospice Care in Newark.

Beaumont House provides palliative care to patients with life limiting or terminal illnesses and their families living in Newark and Sherwood. Each year they provide care for over 500 patients, caring for around 150 patients at any one time. All their care is provided at no cost to the patient or their family and as such they rely on fundraising and donations to continue to provide their much needed services.

BROWNHILLS ON-SITE CAFÉ

Our onsite café is open for breakfast, lunch and afternoon teas 7 days a week.

The café doors open at 8am Monday – Friday, 8:30am on Saturday and 9:30am on Sundays when a full English breakfast will be available until

11am. Hot lunches are served from 12 - 2pm daily, with light bites available after this time and until 3:30pm. A selection of cakes, desserts, hot and cold drinks are available throughout the day until we close at 4pm.

If you've been browsing our website and have seen a motorhome or more that you are interested in but are not able to get to us to view in person, then why not call our team who will happily take a personalised video of the motorhome/s to send through to you. Tell our team what you most want to see in the video and they will focus on this for you, enabling you to see the storage space or bed make up for example.

Our team are available on **01636 704201** or simply email sales@brownhills.co.uk detailing your requirements.

All our used motorhomes come with **£250 worth of Accessory Shop vouchers** to enable you to get all the essentials you need when starting out. All our new motorhomes come with 2 years free servicing!
