

SUMMER SPECTACULAR WEEKEND

Thank you to all our Club Members who attended our Summer Spectacular weekend from 7th – 9th June. Although the weather was against us, this didn't dampen anyone's spirits. The UK Beach Boys, who performed on the Friday night were brilliant and their songs such as Good Vibrations soon got our Club Members onto the dance floor. Saturday night saw two performances, the first by Bobby Davro who had the audience in stitches with his hilarious jokes and impressions then latterly by Kelly, who along with her band, brought Dolly Parton to Brownhills. Kelly's performance as Dolly was impressive, she looked and sounded the part and got many people involved across her sets. Andy Jackson, our compere, kept the night running and even gave the audience a trip down memory lane by playing soundtracks to TV programmes...who can resist a little nostalgia!

SHOWROOM TOILET REFURBISHMENT

We are pleased to announce that our showroom toilets have been completely renovated. The improvements included replacing the flooring, wallboards, cubicles and sanitary units. We hope that everyone will like the more modern look as much as we do.

The workmen have now commenced the renovation on the café toilets which we anticipate being completed prior to 28th June.

For those who have been on site during the improvements, we thank you for your patience.
