## Club Facilities

With the latest relaxations of the government restrictions, we are delighted to be able to re-open our club facilities from Monday 17th May.

This means that once again our shower blocks and club lounge will be available to our club members.

Unfortunately we are unable to re-open the swimming pool and spa until Tuesday 1st June and apologise for any inconvenience this causes.

## Café

Since re-opening our doors on the 12th of April, our café has only been able to offer an outside seating or a takeaway service. Now that we are moving into the next step of the government's re-opening plan, we will once again be open for indoor dining, a necessity with the current unsettled weather!

Our café serves a full English breakfast, a selection of hot and cold lunches as well as cakes, snacks and hot and cold drinks. The café is open from 8:30am – 4pm Monday to Saturday and from 9:30am – 4pm on Sunday's, when our popular Sunday carvery is on the menu!

## We Buy Motorhomes for Cash

We don't just sell motorhomes; we also buy used motorhomes for cash. Have you recently considered selling your motorhome? If so then give our buying team a call and we will be happy to offer you a price for your motorhome.

If you are happy with our offer then we will arrange for drivers to come and collect your motorhome, no matter where you live in the country. We will process an instant bank transfer before our drivers leave. We consider all makes, models and ages, so contact us to sell your motorhome.

## Motorhomes in High Demand

In the absence of international travel and restrictions currently in place around travelling abroad, it will come as no surprise that there has been a surge in demand for motorhomes as people turn to alternative ways to holiday in the UK. This increase in demand means that as soon as we receive stock of used motorhomes, they are selling as quickly as they arrive.

Below is a list of the new and used motorhomes currently in stock and available for immediate purchase.
